Award Data

Listed below are the awards your club has achieved and the year in which each was earned. Awards earned prior to the 2003-2004 program year are not displayed.

| ELIGIBILITY ASSISTANT

This tool allows club and district officers to check membership status, club status, and if a member is serving as a club or district officer. This information can be used when determining whether or not members are eligible to compete in speech contests and/or be a proxy.

Please note, club officers can only check the eligibility of members within their own clubs. The same restriction applies to district leaders. For example, an area director can only check members within their area, a division director can only check members within their division, and a district director can only check members within their district.

Be sure to review the [Speech Contest Rulebook](#) (Item 1171) for the complete list of eligibility requirements.

To verify the eligibility of members in recently chartered clubs, or for additional questions regarding eligibility, please contact Education Services at speechcontests@toastmasters.org for further assistance.
